Hi Everyone,

THE BIG START 2022!

Wow! What a wonderful day we had at Newby Hall yesterday. It was magical to see everyone so excited to take part in so many activities,

learning so much together in the beautiful space of Newby Hall. Every year we believe it is crucial that we light the learning fires within our children, so that they are truly engaged and ignited to learn. After yesterday, the fires are definitely alight and the Crossflatts above and beyond curriculum is now at full throttle! Our children's behaviour, was as always, impeccable and I was so proud when several members of the staff team at Newby and members of the general public approached me to commend our children's manners and fantastic behaviour. I would like to express a huge thank you for everyone's help, support and hard work to make yesterday the success it was. I am sure you can appreciate that it requires a huge amount of work and organisation to make the magic happen. I know the children created memories with their friends, which they will remember forever...
