Wow! That is a lot of things to pack in over the next four weeks! Please do regularly check your child's class Dojo messages too for any further arrangements and updates as we approach the end of term as it is an immensely busy time of year with lots of information to absorb!

As we begin preparing the children for their next step and next year groups there are some useful videos you might wish to share with your child on Childnet. There are some useful tools especially aimed at our oldest children which support the children to make a smooth transition from primary to secondary education.

The Friends of Crossflatts Primary School are enjoying planning for their Rose Day evening event on Thursday 14th July, 4-7pm and have some great activities and stalls planned. Further information on how to buy tickets and what will be there will be announced next week. In the meantime they are collecting (until Friday 1st July) any donations of clean and washed unwanted Teddies for their Teddy Tombola and any unwanted presents, specifically children's toys and games for a Tombola. Please bring these donations into school.

There will also be a **Dress Down Day on Friday 1st July** where the children can bring into school a sweet treat (chocolate, sweets, fudge) and come in their own clothes. Please remember NO NUTS

Just 23 school days remain- let's make them all count!

Best wishes

Mrs Bennett
