Dear Parent/ Carer,

### **Parking Concerns**

We have for sometime now, been receiving complaints about consistent inconsiderate parking around Crossflatts Primary School from some of our neighbours. As a result, the school, local policing team and Bradford Council, are working together to try and resolve these issues, identify offenders and where necessary ensure appropriate enforcement action is taken.

As a Council we do not take this action lightly however our ultimate priority is the safety of the school children, encouraging responsible parking by parents/visitors and maintaining a safe and pleasant environment for both our children, families & local residents. Therefore we suggest that you always park appropriately, observe all traffic regulation orders and to be respectful of local residents and other road users by not causing an obstruction with your vehicle.

### **We would also ask that you refrain from parking at Thompson Court.**

Thompson Court gives respite care to elderly people who are unwell as such their limited parking area is for relatives, medical officials and their staff. We are sure you can appreciate it is essential that they are able to park there.

Thank you for your support in this matter.

Yours sincerely,

Marcia Churley
