Dear Parents

Year One- Wonder Dome Planetarium

We are really excited to be able to offer your child the opportunity to visit the 'Wonder dome Planetarium' which we have invited into school on Wednesday 7th February . The planetarium provides a unique learning environment which immerses young people in science & space which is linked to this half term's topic - 'To Infinity and beyond!'

The cost of the experience is £7.00, if we do not receive enough contributions to fund this visit then unfortunately the visit will have to be cancelled. Please contact the Class Teacher if you are unable to make this payment

Please pay by our secure Parentpay system by Friday January 19th. This gives automatic consent and therefore a paper permission slip is not required.

Yours faithfully

The Year 1 Team
