

Thursday 31st March 2022

Hi Everyone,

What is going on with the weather this week? We were in sandals last week and snow this morning ! As you can imagine making a decision when it snows is extremely difficult, but we always ensure that we put the safety of our Crossflatts family at the heart of any decision we make. I would like to thank you for your patience and understanding this morning. Hopefully we are now going to see some more stable weather as we enter our final week before we break up for the holidays!

Don't forget tomorrow- **Friday 1st of April**, we are going to open our doors for our families to come and spend some time in your child's classroom and see all the wonderful learning that has been going on over the spring term. This will be from 1.30pm-2.45pm. Of course, if you have more than one child in our school, please feel free to divide your time and wander between your children's classrooms. As always, the children are very excited and eager to show you their spring term learning.

We have begun this week finally returning to the hall and gym for lunches as an entire school. The children have taken this in their stride and I have been so impressed with how well they have adjusted to dining in the hall and gym with excellent manners and behaviour. It is lovely to see everyone socialising again all together.

We are very excited to be offering you a range of extra-curricular clubs free of charge in the summer term.
